

Phil Weinstein / Maintenance Accomplishments -- April 2017 – 5-02-2017

[II] RiverWare Software Maintenance / Software Updates / Bug Fixes

The following bugs were fixed:

1. Gnats 5864 (Revisited): Plotting: Patterned legend / plot lines appear different with thickness greater than one.
2. Gnats 5901: Marker Label does not display unless a Line Style is selected.
3. Gnats 5925: Charts are too large, resizing makes them disappear.
4. Gnats 5953: Plotting: Patterned lines sometimes look solid, esp. with thickness greater than one.

The following bugs were closed without additional source code changes:

1. Gnats 5954 (Same as 5953 and 5864): Line types and styles appear different in legend than in plot.
